

Vendor Distribution Supplement

For public education 403(b) and other non-ERISA 403(b) plans

This form is designed to obtain information necessary to determine your eligibility for a hardship distribution from your employer's 403(b) plan. You should provide the completed form to the investment provider from which you are requesting a hardship distribution along with paperwork that supports the request such as medical bills, notice of eviction or foreclosure, etc.

While the form asks you to provide certain information regarding the hardship, you should expect that your investment provider or employer will seek to confirm some or all of the information with the identified providers, to ensure compliance with the federal tax rules governing these withdrawals. You should also be aware that hardship withdrawals are subject to any additional restrictions or requirements imposed under the contract and account from which you are requesting the distribution, and thus completion of the form does not ensure approval of the distribution.

- Medical expenses for you, your spouse, or your dependent.
- Expenses directly related to the purchase of your principal residence, excluding mortgage payments.
