Doctor of Philosophy	Pharmaceutical Sciences	51.2010.00	Kingsville	Spring 2015	Spring 2015	Fall 2015

Notes
Interdisciplinary degree program Ag & Sci.
Changing Joint Ed. D. to Joint Ph.D. with Texas Tech.
Joint with College of Engineering and Agriculture.
Online and on campus; expands certificate.
Online; expands certificate.
Financial management track for students in the Professional Program in Accounting (PPA) and the Trading, Risk & Investments Program (TRIP).
Degree for working professionals delivered in Houston at Mays' City Centre facility.
One year MS Business degree designed for graduating seniors (no prior work experience), delivered in three semesters; Summer, Fall, Spring.
Paperwork was submitted in Spring 2014.

Integrated MS degree for engineering honors students; discussions to be initiated.
Multi-disciplinary
We are using a multidisciplinary engineering code for the bachelors 14.0101.00 and assuming the two degrees will be conferred sequentially.
Joint Engineering and Architecture Degree - discussions in place with COE and Architecture.
Joint Engineering and Architecture Degree - discussions in place with COE and Architecture.
Joint Engineering and Architecture Degree - discussions in place with COE and Architecture.
Joint with Geosciences and TAMUG

We have the degree, but looking at a Joint degree with Ocean University.
This is a revision/ consolidation of the existing BA degrees in Music and Theatre in response to Academic Program Review recommendations
Law School general LLM
Law School master's program preparing students to pass the Patent Bar and serve as a patent agent
Law School master's program focusing on global financial integrity standards and enforcement
Law School master's program for federal and state court clerks
Master of Maritime Administration and Logistics fully online degree.
Combined Master of Maritime Administration and Logistics and Law Degree.
This program is in support of the Sub-Sea program.

This program is in support of the Sub-Sea program.
Ph.D. in Coastal and marine management and sustainability (terminal degree for the sequence of degrees: B.Sc. In Ocean and Coastal Resources and Masters in Marine Resources Management).
Awaiting QF Consent.
