Agenda Item No.

AGENDA ITEM BRIEFING

Submitted by: Billy Hamilton, Deputy Chancellor and Chief Financial Officer
The Texas A&M University System

Subject: Approval of Fiscal Year 2025 Service Department Accounts

Proposed Board Action:

Approve the fiscal year 2025 service department accounts as submitted by the members of The Texas A&M University System (A&M System).

Background Information:

All members of the A&M System have submitted all service department accounts for the fiscal year ending August 31, 2025. Staff members in the System Office of Budgets and Accounting have reviewed these accounts in detail.

The General Appropriations Act allows appropriations to be used to reimburse any service department that is established by authority of the governing board and operated for the benefit of one or more members of a system. System Regulation [21.01.05, Service Departments or Centers](#), provides information regarding the general rules that govern the establishment, utilization and operation of service departments within the A&M System.

A detailed listing of service department accounts by member is included in the attached exhibit.

A&M System Funding or Other Financial Implications:

The funding implications of service departments are included in the fiscal year 2025 operating budgets.

Strategic Plan Imperative(s) this Item Advances:

This agenda item is relevant to the advancement of all the imperatives of the Strategic Plan.

Agenda Item No.

THE TEXAS A&M UNIVERSITY SYSTEM
Office of the Deputy Chancellor and Chief Financial Officer
March 22, 2024

Members, Board of Regents
The Texas A&M University System

Subject: Approval of Fiscal Year 2025 Service Department Accounts

I recommend adoption of the following minute order:

“The service department accounts for the members of The Texas A&M University System for the fiscal year ending August 31, 2025, included in the exhibit, are hereby approved subject to the provisions contained in System Regulation 21.01.05, *Service Departments or Centers.*”

Respectfully submitted,

Billy Hamilton
Deputy Chancellor and
Chief Financial Officer

Approval Recommended:

Approved for Legal Sufficiency:

John Sharp
Chancellor

Ray Bonilla
General Counsel

AGENDA ITEM BRIEFING

Submitted by: Billy Hamilton, Deputy Chancellor and Chief Financial Officer
The Texas A&M University System

Subject: Approval of Fiscal Year 2025 Operating Budgets

Proposed Board Action:

Approve the fiscal year 2025 operating budgets recommended by the Chief Executive Officers (CEO) of The Texas A&M University System (A&M System).

Background Information:

The Presidents of the academic universities, the Vice Chancellor for Agriculture and Life Sciences, the Vice Chancellor for Engineering, the Vice Chancellor for Disaster and Emergency Services, and the Chancellor of the A&M System have submitted budget recommendations for the fiscal year ending August 31, 2025.

Financial reviews of the proposed FY 2025 operating budgets have been performed by the System Office of Budgets and Accounting staff. Based on these reviews, an executive summary of the detailed operating budgets for the A&M System has been provided to each member of the Board for review. In addition, programmatic budget reviews were held on April 22nd and 23rd which allowed each CEO an opportunity to present an overview of the programmatic and financial direction of their institution/agency.

A&M System Funding or Other Financial Implications:

Approval of the FY 2025 operating budgets will appropriate approximately \$7.3 billion.

Strategic Plan Imperative(s) this Item Advances:

This agenda item is relevant to the advancement of all the imperatives of the Strategic Plan.

Agenda Item No.

THE TEXAS A&M UNIVERSITY SYSTEM
Office of the Deputy Chancellor and Chief Financial Officer
March 22, 2024

Members, Board of Regents
The Texas A&M University System

Subject: Approval of Fiscal Year 2025 Operating Budgets

I recommend adoption of the following minute order:

“The operating budgets, included in the exhibit, as submitted by the members of The Texas A&M University System for the fiscal year ending August 31, 2025, are hereby approved and adopted subject to the provisions contained in System Policy 27.04, *Budget Authorizations, Limitations and Delegations of Authority.*”

The Board of Regents of The Texas A&M University System (Board) reasonably expects to incur debt in one or more obligations for this project, and all or a portion of the proceeds received from the sale of such obligations is reasonably expected to be used to reimburse the account(s) for amounts previously appropriated and/or expended from such account(s).

As required by Section 5(a) of the Master Resolution of the Revenue Financing System, the Board hereby determines that it will have sufficient funds to meet the financial obligations of The Texas A&M University System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Revenue Financing System and to meet all financial obligations of the Board relating to the Revenue Financing System and that the Participants, on whose behalf the debt is issued, possess the financial capacity to satisfy their Direct Obligations.”

Respectfully submitted,

Billy Hamilton
Deputy Chancellor and
Chief Financial Officer

AGENDA ITEM BRIEFING

Submitted by: Billy Hamilton, Deputy Chancellor and Chief Financial Officer
The Texas A&M University System

Subject: Approval of System Capital Plan for FY 2025 – FY 2029

Proposed Board Action:

Approve the System Capital Plan for FY 2025 – FY 2029.

Background Information:

Members of The Texas A&M University System each prepare a five-year capital plan as part of the overall planning process. These plans are then compiled into a system capital plan. The system capital plan includes all Revenue Financing System (RFS) and Permanent University Fund (PUF) financed projects, repair/renovation projects costing \$4 million or more, new construction/addition projects costing \$4 million or more, and real property acquisitions costing more than \$1 million. Both the CEO and CFO of each system member have certified the information included in the system member's capital plan including the adequacy of the debt repayment revenue resources.

Per System Policy *51.01 Capital Planning*, the five-year capital plan for The Texas A&M University System is being presented to the Board of Regents for approval.

The \$5.1 billion system capital plan includes \$3.8 billion of previously approved projects that are either in design or construction. After cumulative expenditures of \$618.6 million through December 2023, the remaining balance to be expended on approved projects is \$3.2 billion. The system capital plan also includes \$1.3 billion in proposed future projects including \$449.5 million of RFS debt projects, \$212.2 million of PUF debt projects, and \$617.2 million of projects to be funded by cash sources including the Available University Fund (AUF), Higher Education Fund (HEF), interest income, federal grants, designated tuition, gifts, student fees, auxiliary enterprise funds, general revenue, and other local funds.

Prior to inclusion on the capital plan for FY 2025, projects have completed the preparation of the Program of Requirements (unless otherwise noted on the plan). Board approval of the system capital plan for FY 2025 – FY 2029 will constitute approval for initiation of the proposed projects indicated to start in FY 2025 along with approval of the identified funding sources and will authorize the appropriation of up to 10 percent of the planning amounts indicated for the FY 2025 projects for pre-construction activities. Pre-construction activities include work of the Architect/Engineer Design Team, design assistance from a Design-Build Contractor or Construction Manager at Risk, environmental surveys, site surveys, building and site demolition work, and any other activities required to design the project. In addition, approval will authorize the completion of FY 2025 minor construction, rehabilitation/renovation, and equipment/software procurement projects including the appropriation of PUF and RFS debt proceeds where indicated.

FY 2025 proposed projects total \$612.0 million and include \$127.8 million of RFS debt projects, \$198.0 million of PUF debt projects, and \$286.2 million of projects to be funded by cash sources

Agenda Item No.
Agenda Item Briefing

including AUF, HEF, interest income, federal grants, designated tuition, gifts, student fees, auxiliary enterprise funds, general revenue, and other local funds.

The initiated projects will be presented to the board for approval of construction when a scope and budget are more defined, prior to any construction contract award.

A&M System Funding or Other Financial Implications:

The board's approval of the system capital plan for FY 2025 – FY 2029 will authorize the appropriation of up to 10 percent of the planning amounts for FY 2025 proposed projects for pre-construction activities. As presented, requested appropriations for proposed FY 2025 projects would total up to \$61.2 million. In addition, the board's approval authorizes appropriation of PUF and RFS funds for the completion of FY 2025 minor construction, rehabilitation/renovation, equipment/software procurement, and other projects to be administered by the institutions or System Facilities Planning and Construction.

Authorization is requested to allow FY 2025 projects to proceed immediately upon the board's approval of the capital plan in May 2024 if all applicable Program of Requirements (POR), funding, and Legislative requirements are met.

Strategic Plan Imperative(s) this Item Advances:

This item advances Strategic Plan Imperative 6, which provides that "The A&M System, in adhering to the high standard of excellence and growth required in this strategic plan, will display prudent financial stewardship and sustainability."

Agenda Item No.

THE TEXAS A&M UNIVERSITY SYSTEM
FACILITIES PLANNING AND CONSTRUCTION
Office of the Deputy Chancellor and Chief Financial Officer
March 29, 2024

Members, Board of Regents
The Texas A&M University System

Subject: Approval of System Capital Plan for FY 2025 – FY 2029

I recommend adoption of the following minute order:

“The system capital plan for FY 2025 – FY 2029, as shown in the attached exhibit is approved and authorization to appropriate up to 10 percent of the planning amount indicated for all FY 2025 proposed projects is granted.

In addition, the appropriation of PUF and RFS funding is approved for FY 2025 minor construction, rehabilitation/renovation, and equipment/software procurement projects administered by the institutions or System Facilities Planning and Construction.

Proposed FY 2025 projects are authorized to proceed immediately if all applicable POR, funding, and Legislative requirements are met.

The Board of Regents of The Texas A&M University System (board) reasonably expects to incur debt in one or more obligations for these projects, and all or a portion of the proceeds received from the sale of such obligations is reasonably expected to be used to reimburse the account(s) for amounts previously appropriated and/or expended from such account(s).

To the extent that the system capital plan identifies projects for financing through the issuance of parity obligations secured by and payable from revenues of the Revenue Financing System, and as required by Section 5(a) of the Master Resolution of the Revenue Financing System, the board hereby determines that it will have sufficient funds to meet the financial obligations of The Texas A&M University System, including sufficient pledged revenues to satisfy the annual debt service requirements of the Revenue Financing System and to meet all financial obligations of the board relating to the Revenue Financing System and that the participants, on whose behalf the parity obligations are issued, possess the financial capacity to satisfy their direct obligations after taking into account such proposed additional Revenue

- * \$69,897,111 was authorized by the Legislature for Texas A&M University TMC3 Biomedical Research Bldg. The project was originally planned to be located at TMC3 in Houston. As provided for in the legislation, the new project will be located just outside the Houston medical center in buildings currently owned by TAMUS, the Albert B. Alkek IBT Building and EnMed Building. The renovations and expansion project will provide the needed space and address the original purpose of the CCAP authorization. The CCAP project will not move forward until Legislative requirements are met, POR is complete and funding is finalized.
- ** TAMU will provide \$15 million AUF to fund this project.
- *** Project will not move forward until POR is complete. TAMU will provide \$25 million AUF to fund this project.
- **** TAMU will provide \$3.5 million Designated Tuition to fund this project.

AGENDA ITEM BRIEFING

Submitted by: Billy Hamilton, Deputy Chancellor and Chief Financial Officer
The Texas A&M University System

Subject: Approval of the Project Scope and Budget, Appropriation for Construction Services, and Approval for Construction for the Business, Engineering and Technology Building Project, Texas A&M University-Texarkana, Texarkana, Texas (Project No. 22-3385)

Background and Prior Actions:

The Business, Engineering and Technology Building Project was added to the FY 2022 – FY 2026 Texas A&M University System (A&M System) Capital Plan after legislative approval of the Capital Construction Assistance Projects (CCAP). The project was included as an approved project on the FY 2024 – FY 2028 A&M System Capital Plan approved by the Board at the August 2023 meeting.

Proposed Board Action:

- (1) Approve the project scope and budget.
- (2) Appropriate \$40,430,550 for construction services and related project costs. \$4,492,283 has been previously appropriated to this project.
- (3) Approve construction of the Business, Engineering and Technology Building Project at Texas A&M University-Texarkana (A&M-Texarkana).

Funding/Budget Amount:

<u>Funding Source</u>	<u>Budget Amount</u>	<u>Average Estimated Annual Debt Service</u>	<u>Debt Service Source Capital Construction Assistance Project</u>
Revenue Financing System Debt Proceeds	<u>\$44,922,833</u>	\$3,916,875	
Total Project Funds	<u>\$44,922,833</u>		

Project Justification:

In fall 2017, A&M-Texarkana consolidated three colleges into two, both of which provide a more cutting-edge learning environment at lower administrative cost. The College of Business, Engineering, and Technology (CBET) combines the previously stand-alone College of Business with the engineering and technology program from the former Science Technology Engineering Mathematics (STEM) college. The rationale behind this change was to better prepare engineering, computer science and business students for the world of work by developing

Agenda Item No.
Agenda Item Briefing

curricular and project-based intersections among them. Presently, there is no space for these professional disciplines to be housed and work together. Office space is increasingly limited on campus as enrollment grows across the board, and there is little appropriate lab space for instruction and no research space for faculty and the undergraduates who work with them. This building will address these needs by providing faculty and staff offices, classrooms and teaching/research labs.

Scope:

The Business, Engineering, and Technology Building Project will provide a 52,500 gross square foot, 3-story building to consolidate the College of Business, Engineering and Technology spaces into a unified campus area. The building is situated on the southwest edge of campus directly adjacent to the STEM building and contains a Bloomberg lab, engineering labs, large format classrooms, a multipurpose auditorium, and office space.

Construction on this project is scheduled to start in June 2024 with substantial completion scheduled for July 2026. The total project budget is \$44,922,833.

Other Major Fiscal Impacts:

None.

Strategic Plan Imperative(s) this Item Advances:

The College of Business Engineering and Technology supports the following Strategic Plan Imperatives:

Strategic Plan Imperative No. 4: *“The A&M System will increase its prominence by building a robust and targeted research portfolio.”*

Strategic Plan Imperative No. 5: *“The A&M System will provide services that respond to the needs of the people of Texas and contribute to the strength of the state’s economy.”*

The new building for the College of Business Engineering and Technology will bolster the volume of research activities across the A&M System and increase the number of degrees granted in critical fields.

Agenda Item No.

THE TEXAS A&M UNIVERSITY SYSTEM
FACILITIES PLANNING AND CONSTRUCTION
Office of the Deputy Chancellor and Chief Financial Officer
March 26, 2024

Members, Board of Regents
The Texas A&M University System

Subject: Approval of the Project Scope and Budget, Appropriation for Construction Services, and Approval for Construction for the Business, Engineering and Technology Building Project, Texas A&M University-Texarkana, Texarkana, Texas (Project No. 22-3385)

I recommend adoption of the following minute order:

“The project scope along with a project budget of \$44,922,833 for the Business, Engineering and Technology Building Project is approved.

The amount of \$40,430,550 is appropriated from Account No. 01-083540 Revenue Financing System Debt Proceeds (CCAP), for construction services and related project costs.

The Business, Engineering and Technology Building Project, Texas A&M University-Texarkana, Texarkana, Texas, is approved for construction.

The Board of Regents of The Texas A&M University System (Board) reasonably expects to incur debt in one or more obligations for this project, and all or a portion of the proceeds received from the sale of such obligations is reasonably expected to be used to reimburse the account(s) for amounts previously appropriated and/or expended from such account(s).

As required by Section 5(a) of the Master Resolution of the Revenue Financing System, the Board hereby determines that it will have sufficient funds to meet the financial obligations of The Texas A&M University System, including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Revenue Financing System and to meet all financial obligations of the Board relating to the Revenue Financing System and that

Agenda Item No.
March 26, 2024

the Participants, on whose behalf the debt is issued, possess the financial capacity to satisfy their Direct Obligations.”

Respectfully submitted,

Billy Hamilton
Deputy Chancellor and
Chief Financial Officer

Agenda Item No.

AGENDA ITEM BRIEFING

Submitted by: Presidents, Member Universities
The Texas A&M University System

Subject: Approval of Changes to the Admissions Standards for System Member Universities for the 2025-26 Academic Year

Proposed Board Action:

Approve changes to the admissions standards for the 2025-26 academic year for member universities (academic institutions) of The Texas A&M University System.

Background Information:

System Policy [*11.04, Admissions Standards*](#) states that each academic institution must prepare, on a schedule determined by the chancellor, specific admissions standards for its institution with any changes from the previous year noted. Any changes to admissions standards, upon endorsement by the chancellor, will be submitted to the Board of Regents for approval.

In response to System Policy *11.04*, presidents of the academic institutions, or their representatives, have submitted their annual proposed changes to the admissions standards for the next academic year for consideration at the May 2024 Board meeting. These standards are documented and are attached to the agenda item as exhibits.

Changes to the 2024-25 academic year admissions standards are documented on the table exhibits through annotation.

A&M System Funding or Other Financial Implications:

None.

Strategic Plan Imperative(s) this Item Advances:

Approval of this agenda item will advance the A&M System strategic imperative 1 to allow all qualified students to find a place in the A&M System and enable them to pursue their ambitions and interests.

Agenda Item No.

THE TEXAS A&M UNIVERSITY SYSTEM

Office of the Chancellor

April 5, 2024

Members, Board of Regents
The Texas A&M University System

Subject: Approval of Changes to the Admissions Standards for System Member Universities
for the 2025-26 Academic Year

I recommend adoption of the following minute order:

“The Board of Regents of The Texas A&M University System hereby approves the changes to the admissions standards of the member universities of The Texas A&M University System for the 2025-26 academic year, as shown in the attached exhibits, copies of which are attached to the official minutes.”

Respectfully submitted,

John Sharp
Chancellor

Approval Recommended:

Approved for Legal Sufficiency:

Billy Hamilton
Deputy Chancellor and
Chief Financial Officer

Ray Bonilla
General Counsel

James R. Hallmark, Ph.D.
Vice Chancellor for Academic Affairs

Tarleton State University

Application Fee	\$50 non-refundable fee International: \$50 non-refundable fee
Admission Under Uniform Admission Policy¹	Top 25%
Standardized Test Policy²	Test scores not required for admission but encouraged for those seeking scholarships and/or TSI exemption.
Standards for Full Admission³	*Top 50% *3 rd QTR: individual review
High School Program, Curriculum or Course Work⁴	Requires successful completion of the <u>Foundation High School Program with Endorsement, or the Distinguished Level of Achievement</u> . under the Foundation High School Program (Foundation with an Endorsement including Algebra II). The Foundation with an Endorsement without Algebra II may be considered under an individual review process.
Conditional Admission and Requirements for Full Admission	Students not meeting the institutional requirements for full admission may be reviewed for conditional admission which may require participation in an enhanced support or summer program. Specific agreement conditions for admission will be enforced.
International Applicant English Proficiency Requirements⁵	TOEFL: <u>Internet based: 69</u> Internet-based-TOEFL Essentials: 7 IELTS: 6 PTE: 50 iTEP: 3.5 Duolingo: <u>95-100</u>
Other Requirements	Foreign credentials must be evaluated by an accrediting agency that is recognized by NACES or AICE

Texas A&M International University

Application Fee	No fee required
Admission Under Uniform Admission Policy¹	Top 25%
Standardized Test Policy²	Academic Threshold
Standards for Full Admission³	Rank first in the top <u>top 40%</u> of HS class, must have official SAT/ACT scores, <u>optional. The lower:</u> Lower 60% must have a 900 SAT (CR+M) or 980 New SAT Total, or a 19 ACT.

High School Program, Curriculum or Course Work⁴	Students must complete any of the high school graduation programs recognized by the Texas Education Agency, including the Texas Foundation High School Program with Endorsement(s), Distinguished Level of Achievement Program, the International Baccalaureate Diploma Program, or the Recommended High School Program or high school program of equivalent rigor.
Conditional Admission and Requirements for Full Admission	Provisional Admissions: Lower 60% of HS class with 840 SAT (CR+M) or 920 New SAT Total or 17 ACT composite. <u>Applicants who do not meet full admission standards may be reviewed by the Undergraduate Admissions Committee.</u>
International Applicant English Proficiency Requirements⁵	TOEFL: 523 Paper based <u>523</u> ; <u>TOEFL 69</u> Internet based <u>69</u> IELTS: 5.5 TOFEL requirement will be waived if students obtain an ACT ENGL score of 20 or better, and/or and SAT (ERW) score of 520. Pearson English Language Test (PTE Academic): Score of 47 Duolingo: 100 <u>*The English proficiency requirement will be waived if students obtain an ACT ENGL score of 20 or better and/or an SAT (ERW) score of 520.</u>
Other Requirements	

Texas A&M University

Application Fee	\$75 non-refundable fee \$90 non-refundable fee for international and Qatar applicants
Admission Under Uniform Admission Policy*	Top 10%
Standards for Full Admission¹	Admit from Review (all campuses) A holistic assessment of a complete application includes recognizing elements of excellence through extracurricular involvement, leadership, community service, achievement, and evaluation of other non-cognitive variables. TAMUQ Academic Admit: A minimum SAT Math score of 650, or New SAT Math of 670, or ACT Math score of 29, a minimum TOEFL iBT score of 100 or IELTS score of 7.00, and a minimum school average of B; students who don't submit TOEFL or IELTS scores must submit a minimum SAT Critical Reading score of 600 or New SAT ERW score of 660, and achieve a combined SAT Math and SAT Critical

	Reading score of at least 1300 or New SAT Math and ERW of 1360, or the ACT English and composite score equivalents. Students will be admitted according to availability of spots.
High School Program, Curriculum, or Course Work²	Students entering for the fall 2018 and after, the Foundation High School Program with at least one endorsement will be required for admission consideration. It is strongly recommended that students complete one or more available endorsement(s) that include Algebra II or its equivalent, biology, chemistry, and physics, as well as four years of English, Math, Social Studies, and Science.
Admission Offers and Requirements for Participation	<p>TAMU Aggie Gateway: Students not granted full admission out of the holistic review pool may be selected for program. Must attend the designated summer session(s) and complete two assigned core curriculum courses. Students who earn at least a 2.0 GPA may continue enrollment for the fall.</p> <p>Texas A&M Blinn TEAM: Participating students are initially admitted to TAMU main campus, but limited to part-time enrollment. While in the program, students are limited to 7 credit hours at TAMU each semester, and the remainder at the Bryan Campus of Blinn College. Students who complete 45 Blinn credit hours and 15 A&M credit hours within a two-year period, while maintaining a 2.5 grade point average at each school, are automatically eligible to matriculate to TAMU as a full-time student but not guaranteed a particular college or major (no additional application required). Students are eligible to follow existing change of curriculum guidelines to gain access to a degree-granting major while enrolled in the program. TEAM students are considered regular admits, but have conditions that must be met for continued enrollment.</p> <p>Texas A&M Engineering at Blinn: Similar in design to the Texas A&M Blinn Team program, selected students who are interested in a major in the College of Engineering may be admitted to the Texas A&M Engineering at Blinn. Students admitted through the Top 10% or as an Academic Admit will be considered full admits with a limitation on the number of hours enrolled as an engineering student until successful completion of the Engineering Academy requirements. Students admitted through holistic review are guaranteed full admission to Texas A&M University upon the successful completion of the program requirements. Texas A&M Engineering at Blinn requires the successful completion of 45 credit hours at Blinn and 15 credit hours at A&M. Successful completion is defined as achieving a minimum 2.50 cumulative grade point average at both institutions (as calculated by Texas A&M University). At least 12-15 hours taken at A&M must be in three or four credit hour courses (with the exception</p>

	<p>of ENGR 111 or 112 that are each 2 credit hour courses). Courses taken at Blinn must satisfy the A&M Core Curriculum admission requirements for their selected institution. A student completes their first year at the System Institution. The program is limited to 7 specific areas of study (Agriculture & Life Sciences, Architecture, Education, Engineering, Geosciences, Liberal Arts and Science) and requires that applicants finish at least 24 transferable hours with a minimum 3.0 GPA for all courses attempted in the chosen Texas A&M degree plan.</p> <p>TAMU Galveston Gateway: Students not granted full admission out of the holistic review pool may be selected for the program. Students must attend a 5-week summer session and complete two assigned core curriculum courses. Students who earn at least a 2.0 GPA are granted full admission for the fall.</p> <p>TAMUQ Aggie Gateway Program: Students not granted full admission out of review pool may be selected for the program. Students will be placed in appropriate Math and English courses based on the results of their placement tests. Students will be fully admitted once they progress to Math 151 and English 104. Students must progress through the English and/or Math sequence by the end of the academic year (12 months).</p>
International Applicant English Proficiency Requirements**	<p>TOEFL: 550 paper; 80 internet based</p> <p>Or SAT verbal of 500 or New SAT ERW of 560; ACT English 21</p> <p>Or IELTS of 6.0 on overall band</p> <p>Or a minimum PTE Academic score of 53</p> <p>Or an English 3 score of 67</p> <p>Or completing all four years in a US high school</p>
Other Requirements	<p>Applicants may be required to submit college transcripts if the student enrolled in dual credit while in high school; Catalog has complete list of additional requirements</p>
Test Optional Policy	<ul style="list-style-type: none"> • Texas A&M University does not require SAT or ACT scores as part of the freshman application. • All students will be evaluated on academic rigor and their performance in their coursework.

Texas A&M University-Commerce

The following footnote/column heading explanations apply to all System campuses:

*Uniform Admission Policy, 19 Texas Administrative Code Part 1 Chapter 5 Subchapter A Rule §5.5

(a) Each public university shall admit first-time undergraduate students for each semester in accordance with Texas Education Code §§51.801 - 51.809. All applicants from Texas schools accredited by a generally recognized accrediting agency and who graduate in the top 10 percent of their high school class or who graduate in the top 25 percent of their high school class, to the extent the governing board of a general academic teaching institution has adopted such an admission policy, shall be admitted to a general academic teaching institution if the student meets the following conditions:

(1) The student has met one of the following:

(A) Successfully completed the distinguished level of achievement under the Foundation, Recommended, or Advanced High School Program from a Texas public high school as outlined under

Texas Education Code, §28.025, as well as, 19 TAC §§74.63, 74.64, 74.73, and 74.74 (relating to the distinguished level of achievement under the Foundation, Recommended High School Program, or Distinguished Achievement High School Program--Advanced High School Program);

(B) Successfully completed a curriculum from a high school in Texas other than a public high school that is equivalent in content and rigor to the distinguished level of achievement under the Foundation, the Recommended, or Advanced High School Program as outlined under subsection (c) of this section;

(C) Satisfied ACT's College Readiness Benchmarks on the ACT assessment; or

(D) Earned on the SAT assessment a minimum score of 480 on the Evidenced-Based Reading and Writing (ERW) test and a minimum score of 530 on the mathematics test (no combined score).

1. In March 2016, the College Board began the administration of a redesigned version of the SAT. The new SAT consists of two sections, Evidence-Based Reading and Writing (ERW) and Mathematics. Each section is scored on a scale of 200 to 800 with a total score range between 400 and 1600. The previous SAT consisted of three sections, Writing, Critical Reading and Mathematics. Each section was scored on a scale of 200 to 800 with a total score range between 600 and 2400. Universities will currently accept both versions of the SAT for admission decisions.

2 House Bill 5, 83rd Texas Legislature, Regular Session, established the new Foundation High School Program as the default graduation program for all students entering high school beginning in 2014. The bill replaced the Minimum High School Program, Recommended High School Program, and Distinguished Achievement Program with the Foundation High School Program. A student must earn at least 22 and one-half credits to complete the foundation program. In addition, it calls for a set of endorsements which consist of a related series of courses that are grouped together by interest or skill set. Endorsements provide students with in-depth knowledge of subject area.

A student may earn the Distinguished Level of Achievement by going beyond the Foundation High School Program which requires a total of 26 credits, including Algebra II, a fourth science credit and an endorsement. A student must earn this designation to be eligible for Top 10% automatic admission to a Texas public university.

Students may earn an additional acknowledgment on their transcripts because of outstanding performance in areas such as dual credit courses and bilingualism and biliteracy; on Advanced Placement, International Baccalaureate, PSAT, ACT ASPIRE, the SAT or ACT exams; or by earning a state-, nationally- or internationally-recognized business or industry certification.

Foundation High School Program (22 credits) include:

English (4 credits):

- English I
- English II
- English III
- An advanced English course

Mathematics (3 credits)

- Algebra I
- Geometry
- An advanced math course

Science (3 credits)

- Biology
- Integrated Physics & Chemistry or an advanced science course
- An advanced science course

Social Studies (3 credits)

- World History or World Geography
- U.S. History
- U.S. Government (one-half credit)
- Economics (one-half credit)

Languages Other Than English (2 credits) • 2 credits in the same language or

• 2 credits from Computer Science I, II, III

Fine Arts (1 credit) Electives (5 credits)

Speech: Demonstrated proficiency

Physical Education (1 credit)

Endorsements consist of a related series of courses grouped together by interest or skill set and include four credits in both math and science and two additional elective credits. Total credits with endorsements is 26.

• STEM

• Business & Industry

• Public Services

• Arts & Humanities

• Multidisciplinary

Distinguished Level of Achievement: • 4 credits in math including Algebra II; • 4 credits in science

• At least one endorsement

** International Applicant English Proficiency Requirements: Applicants whose native language is not English must take the Test of English as a Foreign Language (TOEFL), the International English Language Testing System (IELTS), or the Pearson English Language Test (PTE).

Admission Under Uniform Admission Policy*	Top 10%
Standards for Full Admission¹	Admit from Review (all campuses) A holistic assessment of a complete application includes recognizing elements of excellence through extracurricular involvement, leadership, community service, achievement, and evaluation of other non-cognitive variables.
High School Program, Curriculum, or Course Work²	Students entering for the fall 2018 and after, the Foundation High School Program with at least one endorsement will be required for admission consideration. It is strongly recommended that students complete one or more available endorsement(s) that include Algebra II or its equivalent, biology, chemistry, and physics, as well as four years of English, Math, Social Studies, and Science.

<p>Admission Offers and Requirements for Participation</p>	<p>TAMU Aggie Gateway: Students not granted full admission out of the holistic review pool may be selected for program. Must attend the designated summer session(s) and complete two assigned core curriculum courses. Students who earn at least a 2.0 GPA may continue enrollment for the fall.</p> <p>Texas A&M Blinn TEAM: Participating students are initially admitted to TAMU main campus, but limited to part-time enrollment. While in the program, students are limited to 7 credit hours at TAMU each semester, and the remainder at the Bryan Campus of Blinn College. Students who complete 45 Blinn credit hours and 15 A&M credit hours within a two-year period, while maintaining a 2.5 grade point average at each school, are automatically eligible to matriculate to TAMU as a full-time student but not guaranteed a particular college or major (no additional application required). Students are eligible to follow existing change of curriculum guidelines to gain access to a degree-granting major while enrolled in the program. TEAM students are considered regular admits, but have conditions that must be met for continued enrollment.</p> <p>Texas A&M Engineering at Blinn: Similar in design to the Texas A&M Blinn Team program, selected students who are interested in a major in the College of Engineering may be admitted to the Texas A&M Engineering at Blinn. Students admitted through the Top 10% or as an Academic Admit will be considered full admits with a limitation on the number of hours enrolled as an engineering student until successful completion of the Engineering Academy requirements. Students admitted through holistic review are guaranteed full admission to Texas A&M University upon the successful completion of the program requirements. Texas A&M Engineering at Blinn requires the successful completion of 45 credit hours at Blinn and 15 credit hours at A&M. Successful completion is defined as achieving a minimum 2.50 cumulative grade point average at both institutions (as calculated by Texas A&M University). At least 12-15 hours taken at A&M must be in three or four credit hour courses (with the exception of ENGR 111 or 112 that are each 2 credit hour courses). Courses taken at Blinn must satisfy the A&M Core Curriculum admission requirements for their selected institution. A student completes their first year at the System Institution. The program is limited to 7 specific areas of study (Agriculture & Life Sciences, Architecture, Education, Engineering, Geosciences, Liberal Arts and Science) and requires that applicants finish at least 24 transferable hours with a minimum 3.0 GPA for all courses attempted in the chosen Texas A&M degree plan.</p>
---	--

	<p>TAMU Galveston Gateway: Students not granted full admission out of the holistic review pool may be selected for the program. Students must attend a 5-week summer session and complete two assigned core curriculum courses. Students who earn at least a 2.0 GPA are granted full admission for the fall.</p>
International Applicant English Proficiency Requirements**	<p>TOEFL: 550 paper; 80 internet based Or SAT verbal of 500 or New SAT ERW of 560; ACT English 21 Or IELTS of 6.0 on overall band Or a minimum PTE Academic score of 53 Or an English 3 score of 67 Or completing all four years in a US high school</p>
Other Requirements	<p>Applicants may be required to submit college transcripts if the student enrolled in dual credit while in high school; Catalog has complete list of additional requirements</p>
Test Optional Policy	<p>Texas A&M University does not require SAT or ACT scores as part of the freshman application. All students will be evaluated on academic rigor and their performance in their coursework.</p>

Texas A&M University-Commerce

Application Fee	<p>None \$60 enrollment fee charged upon enrollment</p>
Admission Under Uniform Admission Policy*	<p>Top 25%</p>

Standards for Full Admission¹	Required to meet ONE of the following: <ul style="list-style-type: none"> • Rank in top 30 percent of their graduating class • Have a composite ACT score of 21 or better • Have a minimum combined SAT (taken prior to March 2016) of 980 • Have a minimum combined SAT (taken March 2016 or later) of 1060 • Have a minimum cumulative high school GPA of 2.75 (on a 4.0 scale) (ACT and SAT equivalents based on comparison chart at www.act.org .)
High School Program, Curriculum or Course Work²	Recommended or Distinguished High School Program, Foundation High School Program with at least one Endorsement. 4 years of English, Math (3 of the courses must be Algebra I, II, Geometry, and a higher math), Science (2 must come from Biology I, Chemistry I, or Physics), and 2 years of Foreign Language
Conditional Admission and Requirements for Full Admission	We no longer offer alternative admission standards.
International Applicant English Proficiency Requirements **	TOEFL: 550 paper based; 71 internet based

The following footnote/column heading explanations apply to all System campuses:

*Uniform Admission Policy, 19 Texas Administrative Code Part 1 Chapter 5 Subchapter A Rule §5.5

(a) Each public university shall admit first-time undergraduate students for each semester in accordance with Texas Education Code §§51.801 - 51.809. All applicants from Texas schools accredited by a generally recognized accrediting agency and who graduate in the top 10 percent of their high school class or who graduate in the top 25 percent of their high school class, to the extent the governing board of a general academic teaching institution has adopted such an admission policy, shall be admitted to a general academic teaching institution if the student meets the following conditions:

(1) The student has met one of the following:

(A) Successfully completed the distinguished level of achievement under the Foundation, Recommended, or Advanced High School Program from a Texas public high school as outlined under

Texas Education Code, §28.025, as well as, 19 TAC §§74.63, 74.64, 74.73, and 74.74 (relating to the distinguished level of achievement under the Foundation, Recommended High School Program, or Distinguished Achievement High School Program--Advanced High School Program);

(B) Successfully completed a curriculum from a high school in Texas other than a public high school that is equivalent in content and rigor to the distinguished level of achievement under the Foundation, the Recommended, or Advanced High School Program as outlined under subsection (c) of this section;

(C) Satisfied ACT's College Readiness Benchmarks on the ACT assessment; or

(D) Earned on the SAT assessment a minimum score of 480 on the Evidenced-Based Reading and Writing (ERW) test and a minimum score of 530 on the mathematics test (no combined score).

1. In March 2016, the College Board began the administration of a redesigned version of the SAT. The new SAT consists of two sections, Evidence-Based Reading and Writing (ERW) and Mathematics. Each section is scored on a scale of 200 to 800 with a total score range between 400 and 1600. The previous SAT consisted of three sections, Writing, Critical Reading and Mathematics. Each section was scored on a scale of 200 to 800 with a total score range between 600 and 2400. Universities will currently accept both versions of the SAT for admission decisions.

2 House Bill 5, 83rd Texas Legislature, Regular Session, established the new Foundation High School Program as the default graduation program for all students entering high school beginning in 2014. The bill replaced the Minimum High School Program, Recommended High School Program, and Distinguished Achievement Program with the Foundation High School Program. A student must earn at least 22 and one-half credits to complete the foundation program. In addition, it calls for a set of endorsements which consist of a related series of courses that are grouped together by interest or skill set. Endorsements provide students with in-depth knowledge of subject area.

A student may earn the Distinguished Level of Achievement by going beyond the Foundation High School Program which requires a total of 26 credits, including Algebra II, a fourth science credit and an endorsement. A student must earn this designation to be eligible for Top 10% automatic admission to a Texas public university.

Students may earn an additional acknowledgment on their transcripts because of outstanding performance in areas such as dual credit courses and bilingualism and biliteracy; on Advanced Placement, International Baccalaureate, PSAT, ACT ASPIRE, the SAT or ACT exams; or by earning a state-, nationally- or internationally-recognized business or industry certification.

Foundation High School Program (22 credits) include:

English (4 credits):

- English I
- English II
- English III
- An advanced English course

Mathematics (3 credits)

- Algebra I
- Geometry
- An advanced math course

Science (3 credits)

- Biology
- Integrated Physics & Chemistry or an advanced science course
- An advanced science course

Social Studies (3 credits)

- World History or World Geography
- U.S. History
- U.S. Government (one-half credit)
- Economics (one-half credit)

Languages Other Than English (2 credits) • 2 credits in the same language or

• 2 credits from Computer Science I, II, III

Fine Arts (1 credit) Electives (5 credits)

Speech: Demonstrated proficiency

Physical Education (1 credit)

Endorsements consist of a related series of courses grouped together by interest or skill set and include four credits in both math and science and two additional elective credits. Total credits with endorsements is 26.

• STEM

• Business & Industry

• Public Services

• Arts & Humanities

• Multidisciplinary

Distinguished Level of Achievement: • 4 credits in math including Algebra II; • 4 credits in science

• At least one endorsement

** International Applicant English Proficiency Requirements: Applicants whose native language is not English must take the Test of English as a Foreign Language (TOEFL), the International English Language Testing System (IELTS), or the Pearson English Language Test (PTE).

THE TEXAS A&M UNIVERSITY SYSTEM

Office of the Board of Regents

April 12, 2024

Members, Board of Regents
The Texas A&M University System

Subject: Adoption of a Resolution Honoring the Legacy of the Late President George H. W. Bush and Recognizing President George H. W. Bush's Centennial Birthday

Approval of the following resolution recognizing President George H. W. Bush by the Board of Regents is recommended:

“WHEREAS, President George Herbert Walker Bush lived a life that exemplified Texas A&M University's core values; and

WHEREAS, the example set by George H. W. Bush, both as a private citizen and as a public servant, serves to instruct future generations seeking to develop the character required to serve the greater good; and

WHEREAS, George H. W. Bush believed that “public service is a noble calling and we need men and women of character to believe that they can make a difference in their communities, in their states and in their country;” and

WHEREAS, George H. W. Bush set a standard of EXCELLENCE in public service that lives on in the George Bush Award for Excellence in Public Service given by the George H. W. Bush Presidential Library Foundation; and

WHEREAS, George H. W. Bush's public career and private life were guided by his deep sense of personal INTEGRITY, from his enrollment in the U.S. Navy as the youngest aviator in World War II, during which he earned the Distinguished Flying Cross, to his time as President of the United States of America; and

WHEREAS, George H. W. Bush's LEADERSHIP was bold enough to envision a world “free from the threat of terror, stronger in the pursuit of justice and more secure in the quest for peace - a world in which nations recognize the shared responsibility for freedom and justice. A world where the strong respect the rights of the weak;” and

WHEREAS, George H. W. Bush's LOYALTY to his wife of 73 years, Barbara Pierce Bush, his family and his nation should continue to inspire future generations; and

WHEREAS, George H. W. Bush's RESPECT for others and their views revealed itself in his constant personal courtesy best exemplified by his collaborative approach to international diplomacy; and

WHEREAS, George H. W. Bush was the last veteran of World War II to serve as President of the United States of America, and his sense of SELFLESS SERVICE was a constant motivation throughout an extraordinary career of a statesman who helped guide the nation and the world out of the decades-long Cold War while greatly reducing the threat of nuclear annihilation; and

Agenda Item No. 5.1
April 12, 2024

WHEREAS, not only was George H. W. Bush one of the greatest presidents in our nation's history, he was also one of the finest men to serve our country in so many ways; and

WHEREAS, George H. W. Bush chose Texas A&M University as the site location of his Presidential Library; and,

WHEREAS, George H. W. Bush's extraordinary relationship with Texas A&M University continues to produce generations of principled public servants who graduate from the Bush School of Government and Public Service before securing positions across local, state and national government organizations; and,

WHEREAS, on the occasion of George H. W. Bush's Centennial birthday the George & Barbara Bush Foundation has built and dedicated the Pavilion expansion of the Presidential Library and Museum to showcase a Marine One helicopter and 4141 Locomotive, further ensuring an endless stream of visitors to Texas A&M University's campus to learn the valuable lessons of President Bush's life of public service; now, therefore, be it

RESOLVED, that on the Centennial of George H.W. Bush's birth, the 12th day of June 2024, the Texas A&M University System reiterates its pride in calling him a son of Texas A&M University and hereby resolves to do everything in its collective power, through the Bush School of Government and Public Service and the George H. W. Bush Presidential Center including his Presidential Library and Museum, to keep his memory and inspiring accomplishments alive for all time; and, be it, further

RESOLVED, that this resolution be included in the minutes, and official copies thereof be signed by the Chairman of the Board of Regents of The Texas A&M University System, and be presented to the Archives of The Texas A&M University System as a permanent mark of the respect of this Board of Regents for the life and work of the late President George H. W. Bush.

ADOPTED, this 7th day of May 2024."

TEXAS A&M UNIVERSITY

Office of the President

March 19, 2024

Members, Board of Regents
The Texas A&M University System

Subject: Adoption of a Resolution Honoring Mr. Louis “Lou” Paletta II ’78 for His Outstanding Dedication and Service as Trustee of the Texas A&M Foundation

I respectfully request the Board of Regents’ approval of the following resolution honoring Mr. Louis “Lou” Paletta II ’78 for his service to Texas A&M University.

“WHEREAS, Mr. Louis “Lou” Paletta II, a member of the Class of 1978, has served Texas A&M University with honor and distinction in a variety of capacities; and

WHEREAS, Mr. Paletta earned a bachelor’s degree in accounting from Mays Business School at Texas A&M University. During his time on campus, he was a Starkie and a member of the Residence Hall Association; and

WHEREAS, in 2013, Mr. Paletta became a founding partner and the chief operating officer of Kildare Partners, a private equity organization that targets opportunistic, control investments in commercial real estate-related opportunities. Prior to this position, Mr. Paletta spent 20 years with Lone Star Funds, where he held a variety of leadership positions and was responsible for coordinating the formation of 10 private equity funds representing \$34 billion in capital commitments from a variety of global institutional investors after spending 12 years at Deloitte; and

WHEREAS, Mr. Paletta serves on the board of the Ryan Palmer Foundation, a philanthropy that provides underserved families with access to education and personal development, and previously served on the board of the Vaquero Club in Westlake, Texas; and

WHEREAS, Mr. Paletta serves the Texas A&M community on the Mays Business School Dean’s Advisory Board and previously served on the 12th Man Foundation Board of Trustees as chair of the audit and finance committee, on the board of directors for the Aggie Golf Association and as captain of the Dallas Area Champions Council, as well as regularly visiting campus to speak to business honors students; and

WHEREAS, Mr. Paletta is an Outstanding Alumnus (2016) of Mays Business School and a member of the A&M Legacy Society; and

WHEREAS, Mr. Paletta will from this day forward be known as a valued partner to Texas A&M University for creating the Wanda and Louis Paletta II ’78 Endowed Study Abroad Scholarship; the Wanda and Louis Paletta II ’78 Business Honors Scholarship; the Wanda and Louis Paletta II ’78 Department of Accounting Excellence Endowment; and funding Paletta’s Place, a multi-use lounge in the Texas A&M Foundation’s Hagler Center for staff and visitors, and being a loyal donor to the Chancellor’s Century Council and the Association of Former Students as a Diamond Century Club Member; and

Agenda Item No.
March 19, 2024

WHEREAS, Mr. Paletta has served the Texas A&M Foundation's Board of Trustees with distinction since 2017, during which time he served as chair from 2021 to 2022 and chairman of the investment committee for five years; and dedicated a great deal of leadership and service to Texas A&M University's Lead by Example \$4 billion capital fundraising campaign that successfully raised \$4.25 billion; now, therefore, be it

RESOLVED, that we, the members of the Board of Regents of The Texas A&M University System, gratefully recognize the outstanding dedication and service of Mr. Paletta as a trustee of the Texas A&M Foundation, and his efforts to maintain the excellence that defines Texas A&M University and the Texas A&M Foundation; and, be it, further

RESOLVED, that this resolution be included in the minutes, and copies thereof be signed by the Chairman of the Board of Regents of The Texas A&M University System and be presented to Mr. Paletta and to the Archives of Texas A&M University as an expression of appreciation and respect for Mr. Louis "Lou" Paletta II '78.

ADOPTED, this 7th day of May 2024."

Office of the Board of Regents

April 15, 2024

Members, Board of Regents
The Texas A&M University System

Subject: Adoption of a Resolution Recognizing Ms. Elizabeth “Annie” Valicek for Her Service as the 2023-2024 Student Member of the Board of Regents of The Texas A&M University System and Bestowing the Title of Student Regent Emeritus

Approval of the following resolution recognizing Ms. Elizabeth Valicek by the Board of Regents is recommended:

“WHEREAS, Ms. Elizabeth “Annie” Valicek was appointed as Student Regent of The Texas A&M University System by Governor Greg Abbott in 2023; and

WHEREAS, she is pursuing her degree in Agribusiness and Economics from West Texas A&M University; and

WHEREAS, Ms. Valicek served as the 2022-2023 Student Body President for West Texas A&M University and serves as the Agricultural Ambassador for West Texas A&M University; and

WHEREAS, she worked as a Government Affairs Intern for the American Farm Bureau Federation; and

WHEREAS, she volunteers with Make-A-Wish, North Texas as a Walkin’ For Wishes Route Coordinator, and the Special Olympics, Area 16 as a Basketball Tournament Volunteer Coordinator; and

WHEREAS, Ms. Valicek is chairman of career and personal development for Chi Omega Fraternity; and

WHEREAS, Ms. Valicek worked closely with the student leaders on a variety of issues at The Texas A&M University System’s universities, visiting all eleven campuses; and

WHEREAS, Ms. Valicek was a member of the Board when new presidents were named at several campuses, including Gen. (ret.) Mark A. Welsh III at Texas A&M University, Dr. Richard Rhodes at Texas A&M University-Central Texas, Dr. Ross C. Alexander at Texas A&M University-Texarkana, and Dr. Salvador Hector Ochoa at Texas A&M University-San Antonio; and

WHEREAS, Ms. Valicek served The Texas A&M University System when Gov. Greg Abbott approved a record \$1.19 billion in new spending for The Texas A&M University System, including money to freeze undergraduate tuition and fees for Texas residents for two years; and

WHEREAS, Ms. Valicek contributed to discussions that led to the formation of the Texas A&M Space Institute; and

Agenda Item No. 5.3
April 15, 2024

WHEREAS, Ms. Valicek witnessed her alma mater, West Texas A&M University, surpass its \$125 million fundraising goal, including a \$20 million gift from Cheryl and Alex Fairly to establish the Hill Institute, which will promote Texas Panhandle values; and

WHEREAS, Ms. Valicek represented the voice, interests, and needs of more than 150,000 students across eleven universities and eight state agencies; and

WHEREAS, Ms. Valicek collaborated with fellow regents, the chancellor and System university presidents to improve processes and enact change; and

WHEREAS, Ms. Valicek presented at various events and engagements both in an official ceremonial capacity as well as requested keynotes; now, therefore, be it

RESOLVED, that we, the members of the Board of Regents of The Texas A&M University System express our appreciation for the outstanding leadership shown by Ms. Elizabeth “Annie” Valicek, as the 2023-2024 Student Regent of The Texas A&M University System; and, be it, further

RESOLVED, that in honor of her service to the Board of Regents, the title of Student Regent Emeritus of the Board of Regents of The Texas A&M University System is hereby bestowed upon Ms. Elizabeth “Annie” Valicek, with all the rights and privileges pertaining thereto; and, be it, further

RESOLVED, that this resolution be included in the minutes, and official copies thereof be signed by the Chairman of the Board of Regents, and be presented to Ms. Elizabeth “Annie” Valicek, and to the Archives of The Texas A&M University System, as a permanent tribute to the high esteem in which she is held as a Student Regent of The Texas A&M University System.

ADOPTED, this 7th day of May 2024.”

Agenda Item No.

AGENDA ITEM BRIEFING

Submitted by: John Sharp, Chancellor
The Texas A&M University System

Subject: Appointment of Vice Chancellor for Strategic Health Initiatives

Proposed Board Action:

Appoint Dr. Roderic Pettigrew as Vice Chancellor for Strategic Health Initiatives, The Texas A&M University System, effective June 1, 2024.

Background Information:

System Policy *01.03, Appointing Power and Terms and Conditions of Employment* states that the Board “appoints deputy chancellors and vice chancellors...” upon the recommendation of the chancellor.

Dr. Pettigrew is recommended for the position of vice chancellor for strategic health initiatives upon approval of the Board of Regents. Dr. Pettigrew brings to the position administrative experience commensurate with the responsibilities. A copy of his curriculum vitae is attached.

In this administrative role, Dr. Pettigrew will serve as the chancellor’s chief advisor on matters affecting health sciences at Texas A&M University and other member institutions of the Texas A&M University System, in particular in areas that would expand the health science research conducted by Texas A&M University and other System member institutions. He will represent the System at major national and international medical and academic meetings and will represent the System as a member of national or international working groups, committees or other groups that promote the health sciences. The position will seek beneficial collaborations that will expand the reach and influence of health science and engineering medicine programs at Texas A&M University and work with System member institutions to attract the best potential students in the areas of engineering and the health sciences. Dr. Pettigrew will work with the chancellor, the vice chancellor for research, and member institutions to attract the best talent available in the fields of engineering and the health sciences to the System, specifically seeking out and attracting leading members of the relevant National Academies to join The Texas A&M University System member institutions. He will communicate the story of the development and progress of the EnMed program to a broader national and international audience.

A&M System Funding or Other Financial Implications:

Dr. Pettigrew’s initial salary will be \$1,210,556.40 annualized.

Strategic Plan Imperative(s) this Item Advances:

As the system’s vice chancellor for strategic health initiatives, Dr. Pettigrew’s responsibilities encompass the system’s progression in all eight imperatives: access for students, affordable learning, engaged and successful graduates, research, responding to the needs of Texans as the state’s land-grant university, maintaining financial responsibility, leading in national and global initiatives, and sustaining long-term growth.

Agenda Item No.

THE TEXAS A&M UNIVERSITY SYSTEM

Office of the Chancellor

March 11, 2024

Members, Board of Regents

RODERIC IVAN PETTIGREW

POSITION TITLE: Robert A Welch Professor, CEO EnHealth and Inaugural Dean, School of Engineering Medicine (EnMed),

EDUCATION

INSTITUTION AND LOCATION	DEGREE (if applicable)	Completion Date MM/YYYY	FIELD OF STUDY
Morehouse College, Atlanta, GA	B.S.	05/1972	Physics
Rensselaer Polytechnic Institute, Troy, New York	M.S.	05/1973	Nuclear Science and Engineering
Massachusetts Institute of Technology	Ph.D.	06/1977	Applied Radiation Physics
University of Miami Medical School	M.D.	06/1979	Medical Degree
Emory University Affiliated Hospitals, Atlanta, GA		1979-1981	Intern and Resident, Internal Medicine
University of California, San Diego, CA		1981-1983	Resident, Nuclear Medicine

A. Personal Statement

I have been engaged in cardiovascular imaging research for several decades, and am well acquainted with the topics of atherosclerotic disease and its treatment. I have overseen multiple imaging based and biologically correlated research programs, advised 7 Ph.D. dissertations and mentored many young and diverse scientists at Emory University and the NIH. I have experience guiding complex initiatives for innovation, as well as those with training aspects and public health objectives. Perhaps importantly I have the experience and perspective relevant to establishing a productive collaboration across institutions with long-range problem-solving goals, with partnerships based on common interest and on clinical and technical synergies. At institutions which converge the physical sciences, life sciences and engineering, I am inspired by the opportunity to combine world-class imaging instruments, cardiovascular scientists, and old colleagues to tackle one of the world's most pervasive health problems: prevention of heart attacks and stroke. This pursuit now combines my long-held ambition to be involved in research which applies Artificial Intelligence and Machine Learning to MR – to somehow get closer to reality than the standard reconstructed image – and address a major health problem. I am hopeful that this project, will also produce additional opportunities for the emerging generation of students and their research careers. I believe that my knowledge of cardiovascular science, the broad complexity of atherosclerotic plaque, and decades of research in basic and clinical medical imaging will lead to a successful project. The inclusion, mentored development and maturation of diverse scientists would not only greatly enhance the opportunities for success of individual projects such as this one, but more importantly greatly strengthen the nation's biomedical research enterprise. This would help to unleash the substantial reservoir of talent that resides within diverse communities, but has not been optimally engaged in health related R&D endeavours.

National Academy of Inventors, 2018
Arthur M. Bueche Award (International Science & Technology Statesmanship), National Academy of Engineering, 2019
National Science Board's Vannevar Bush Award, 2020
Distinguished Service Award, IEEE Engineering in Medicine and Biology Award, 2021
STAT (Boston Globe) STATUSList of Nations most impactful leaders in Life Sciences, 2022

C. Contributions to Science

Policy and Statesmanship in Science and Technology

Engineering has emerged as a new frontier in advanced medical disciplines; quantitative and systems-based approaches provide a new avenue for improving healthcare for all. In recent years, I have fostered this new opportunity in international collaborations and working groups.

- Cynthia H. McCollough, Guang Hong Chen, Willi Kalender, Shuai Leng, Ehsan Samei, Katsuyuki Taguchi, Ge Wang, Lifeng Yu, Roderic I. Pettigrew. Achieving Routine Sub-mSv CT Scanning: Report from Summit on Management of Radiation Dose in CT Radiology 2012, 264(2):567-80

Predictive Modeling of Coronary Plaque Stability

The instability of atherosclerotic plaque has clinical implications, and the fibrous cap thickness is often considered as diagnostic. From 2008 to 2014, I led a multimodal and international effort to investigate this issue both in theory and experiment.

3T Coronary MR from early days

My group and collaborators performed essential work in the early days of coronary MRA research, accelerating the clinical introduction of this novel, noninvasive method of vascular imaging.

D. Additional Information: Research Support and/or Scholastic Performance

Ongoing Research Support

Texas A&M University Startup Grant (2018-Present)

This grant supports the start of research (predictive atherosclerotic modeling) at EnMed, new converged engineering and medicine school in collaboration with Houston Methodist Hospital.

Role: PI

Governor's University Research Initiative (GURI) (2019-Present)

This grant supports Texas public institutions recruit distinguished researchers from around the world; currently supports the development of leading edge MRI technology for investigating cardiovascular health.

Role: PI
