

RELLIS ACADEMIC ALLIANCE OVERVIEW

What is the RELLIS Academic Alliance?

The RELLIS Campus is the newest model of higher education in Texas, bringing regional universities and Blinn College to one location in Bryan, Texas.

Each program at the RELLIS Academic Alliance creates a seamless pathway for students to earn a bachelor's degree in related fields from a regional university in Texas.

The mission of the RELLIS Campus is to provide a collaborative environment for multi-disciplinary, multi-institutional teaching, research, and workforce development instruction that blends industry expertise with innovative research and education.

The collaborative nature of the RELLIS Campus offers unique opportunities for students and faculty to shift ideas from laboratories to the marketplace, while providing new pathways toward a college degree.

BLINN COLLEGE

Recognized throughout the Brazos Valley for its innovative programs, the Blinn College District serves as an onsite RELLIS partner. This partnership provides a single access point for students to earn associate degrees and complete the lower-division coursework needed for a bachelor's degree.

The Blinn College District offers academic transfer, workforce training, and continuing education classes for more than 19,000 students. Blinn ranks among the nation's leaders in transferring students to top four-year universities, and has received national recognition for affordable educational excellence.

Blinn's proximity to the RELLIS Academic Complex makes this unique collaborative relationship possible, combining a major university system and a community college at a single location.
