2021 SECC CAMPAIGN SLOGAN

Working Together. Caring Together.

After an unprecedented year, 2021 has called us to come together to do our part to move forward. This campaign year, we're focusing on "Working Together. Caring Together" to pave a new way to re-connect, selflessly serve and strengthen Texas together.

WHAT IS THE STATE EMPLOYEE CHARITABLE CAMPAIGN (SECC)?

HISTORY

The SECC was created by legislation in 1993. The first campaign was conducted in 1994 and offered Texas state employees greater giving options with hundreds of charitable organizations in which to designate gifts.

The SECC is a great opportunity for state employees to contribute toward helping improve the quality of life for tens of thousands of individuals who need our support.

The campaign provides state employees with a convenient and efficient way to make voluntary, tax-deductible contributions to the charities of their choosing through payroll deductions or one-time payments by cash or check.

In our diverse society, with needs changing rapidly, the SECC is an opportunity for state employees to make a difference in the lives of others. Together we can make a difference in the lives of our families, friends and neighbors across the great state of Texas and across the country.

THE SECC ADVANTAGE

There is no easier way for state employees to give. Here's why the SECC is the smart way to give:

Choice!

No other charitable campaign offers so many choices. There are over 1,000 charitable organizations across the state to choose from. This allows you to decide which organizations best address your concerns, passions and interests.

Confidence!

All agencies participating in the SECC meet strict eligibility standards established by state law and are screened by the SECC State Policy Committee. Therefore, you can feel confident your gift is being used efficiently and effectively by your designated charities.

Convenience!

For employees of The Texas A&M University System, the SECC provides a convenient way to donate in a method that works best for you. Giving options include:

- Recurring Online payroll deduction
- One-time payroll deduction, deducted the first payroll of the new calendar year
- Credit Card donation, frequency selected by you
- Gifts through cash and check, during September and October

We encourage you to take advantage of the giving method that works best for you!

HOW IS THE SECC MANAGED?

UNITED WAY OF THE BRAZOS VALLEY

United Way of the Brazos Valley oversees the campaign at the local level for several counties in the Brazos Valley area. As the Local Campaign Manager (LCM), they ensure the campaign is conducted fairly and equitably under a strict set of guidelines. The president/chief executive officer of United Way of the Brazos Valley and the board of directors, made up of community members, are responsible for the financial and operational management.

UNIVERSITY & A&M SYSTEM CAMPAIGN CHAIRS AND MANAGERS

All agencies and institutions in A&M System participate in the SECC. Due to the size of the A&M System workforce in the College Station area, two separate campaigns are conducted. One campaign includes Texas A&M University employees and is chaired by a university employee. The other campaign includes employees of the System Offices and A&M System agencies headquartered in the College Station area. This campaign is chaired by an employee of the System Offices. Each campaign has one or more campaign managers to help with the administration of the respective campaign.

The campaign chairs and campaign managers coordinate activities and provide training and materials to the designated area and unit coordinators. The campaign managers also maintain a close relationship with the area coordinators throughout the campaign to answer questions which may arise.

AREA COORDINATORS

University department heads and agency chief executive officers appoint area coordinators to conduct the campaign for each division, department, agency or other group area. The area coordinator:

- Works closely with the university or system campaign managers to ensure the success of the campaign
- Serves as a trainer, motivator, facilitator and resource for the unit coordinators
- Distributes materials to their area employees
- Collects weekly report forms
- Serves as a line of communication between employees and campaign leadership.

UNIT COORDINATORS

Unit coordinators are appointed by each area coordinator to further assist with department level campaigns. The unit coordinators are responsible for:

- Educating individual employees about the SECC
- Providing the materials necessary for participation in the campaign
- Collecting the necessary paperwork each week and processing it in accordance with established guidelines.

FINANCIAL MANAGEMENT OPERATIONS

Texas A&M University Financial Management Operations (FMO) has developed guidelines for collecting and depositing donations to ensure proper controls over employee paper and electronic donations. Representatives are available to answer questions as necessary. All cash and check donations made during the campaign must be processed in accordance with these established procedures.

HOW DO EMPLOYEES PARTICIPATE?

PAYROLL DEDUCTIONS THROUGH SSO

Employees should be strongly encouraged to participate via the SECC application available through the A&M System Single Sign-On portal sso.tamus.edu. Through the SECC online application, employees can submit the authorization for monthly payroll deductions or for an immediate, one-time donation.

The “total monthly gift” represents the total monthly deduction. Employees select 9 or 12 pay periods for the payroll deduction based on their number of pay periods. The “total annual gift” is calculated by adding the total monthly gift for each designated charity and multiplying this total by 9 or 12.

PLEASE NOTE:

- The minimum monthly donation is \$2 per charity.
- Deductions for employees paid monthly will begin in December and will be reflected on the January payroll of the new calendar year.
- Deductions for employees paid bi-weekly will begin in January and will be reflected in the second payroll of each month.
- Payroll deductions can be stopped at any time by contacting the payroll office.
- Deductions are made after taxes are withheld. Employees should retain a copy of their online designation for their tax records.

PAYROLL DEDUCTIONS WITH PAPER AUTHORIZATION FORM

Employees who do not wish to use the online option should complete a SECC paper Authorization Form for one-time cash or check donations ONLY. **Checks should be made payable to SECC.**

EMPLOYEE INFORMATION SECTION

Employees complete the top portion of the form with the following information:

- Employee’s last name, first name, and middle initial
- Mailing address
- E-mail address
- On the university line, please indicate if you are a Texas A&M University or A&M System employee
- College, division or agency; department and work phone
- The employee should retain the PINK copy for his/her personal records and submit the YELLOW and WHITE copies to the unit coordinator, **with their cash or check.** *Use a paperclip. DO NOT staple.

ACKNOWLEDGEMENT SECTION

The employee’s gift remains anonymous unless they complete this section. A home mailing address is required for their gift to be acknowledged.

DISTRIBUTING A GIFT

Employees select the charities they wish to support from the SECC brochure or from the SECC directory online (<https://www.secctexas.org/search-charities>). They may designate up to **six different organizations** from any three charitable groups. The first two digits in the agency six-digit number identify the charitable groups.

CREDIT CARD GIFTS

Credit card giving was added to the SECC during the 2020 Campaign to provide an additional convenience to donors. Employees wishing to make a gift via credit card will visit <https://www.secctexasgiving.org/brazosvalley/>. Employees will need to click "New Donors Register Here" to initiate their gift.

LEADERSHIP GIVERS (RECOGNITION FOR DONATING \$1,000 OR MORE)

Leadership giving is optional for donors of \$1,000 or more. If a donor makes a donation of \$1,000 or more and chooses to be acknowledged, the donor's name will be put in an area wide thank you advertisement and listed in the Campaign Directory for the following year under their level of leadership giving. If both spouses are employees and would like to make separate donations, the donations can be combined to meet the Leadership Giving threshold of \$1,000 or more. This must be coordinated with both employees' unit coordinators. The unit coordinators should notates both employees' authorization forms and the forms must be turned in during the same week, allowing the United Way to combine the donations.

Leadership giving levels include:

- Yellow Rose: \$1,000 - \$2,499
- Bluebonnet: \$2,500 - \$4,999
- Alamo: \$5,000 - \$9,999
- Lonestar: \$10,000

FUNDRAISING EFFORTS

Fundraisers can be fun and are a great way to increase donations and engagement in the campaign. We encourage each area and unit coordinators plan at least two fundraisers over the course of the campaign.

For each fundraiser, an authorization form needs to be completed and charity(ies) need to be selected for designation. We ask coordinators to identify donors who contributed over \$24 on a separate attached spreadsheet so we can include this information in overall participation rates in the campaign. Also, it is helpful to provide a title of the fundraiser on the authorization form, along with the department information for reconciling processes.
